

The Characters

There are eight characters in the patrol. This is a short description of each of them.

Triste of Templeton

The patrol leader, she's slightly older than the others at 21 and comes from a church family, both her parents are in the bureaucracy at the capital, Templeton. She grew up in the centre of Church power and is clearly going places. stats

Flynn of Dunwin

Flynn is a pious young man who is almost fanatical about carrying out the will of the Church and protecting the nation. He has a very simple view of what is right and wrong and believes what he is told by the priesthood without question. Brought up by a very strict father who was a woodsman in the Norther borderlands. Also spent some of time defending his uncle's farm from raiders. At 17 he's one of the youngest in the patrol. stats

Ostler of Dyvers

The son of a blacksmith, Ostler had already picked up most of the skills before going into Church Service. Although well muscled, as one would expect, Ostler is wiry and slim. He sticks to the rules and has a well balanced approach to life. He's also 17. stats

Melody of Hornwood

The stunningly beautiful daughter of an inn-keeper. Growing up in a tavern on a busy trade route Melody was exposed to a number of performers which helped nurture her own talent. She can sing, dance, play the harp and has picked up many rivetting tales from the travellers that stayed at her parents' inn. At 20 she is the second oldest in the patrol. stats

Ashrem of Hornwood

A natural woodsman. Ashrem is most at home in the woods where he is a lightning fast hunter and can live for weeks without needing contact with civilisation. However this has its price and he isn't the best in dealing with people. He's 19and makes leather clothes for himself. stats

Ylva of Blackmoor

Ylva is a town girl, she's happiest in crowds although she's not above sneaking around in the middle of the night if it helps her find out a bit more about what's going on. She's 18, 5'7" and not the best looking woman around. However she is very fast and quite strong, so best not to annoy her. stats

Valanthe of Hornwood

Another agent from Hornwood. Valanthe is the son of a farmer and has spent much of his time working on the farm, especially in looking after the animals. Despite being short (a mere 5'0") he is very muscular and agile. He's 19 and very useful in a fight. stats
