

Meta

Here are some player perspective views on some of the games I've played in. Sometimes there are also character perspective views as well, although for longer running campaigns I try to keep those in a more appropriate place.

Recent Additions

Directions

I live in the North east corner of the square mile encompassed by the M25, M23, A25 & A23.

The nearest train station is Merstham and is about three quarters of a mile away.
