Operation Boldly Go

The Mission Team

The Mission team was put together from the majority of the larger polities.

Esteeler Contribution

To the Deep Space Mission Planning Team, Sol

From the President's Office, The Hexagon, Asteel

I attach a consolidated version including our civilian candidates [ACTION REQUIRED BY YOU], which has been Presidentially approved. Please contact me if there are any issues. The President and I look forward to hearing of the outcome.

[Billy Bluestone, Presidential Office]

A. STARSHIP MARINE CONTINGENT [55 personnel]

757th Esteeler Starship Marine Regiment.

Commanded by Lt Col Maddie Zola, late ESS ONE GIANT LEAP. The Regiment's overall strength is 50% below establishment. [55 personnel in post]

The 757th Regiment 'The All Esteeler Screaming Voles' is made up entirely of volunteers drawn from a number of regiments and all personnel have been subject to the usual psychological screening. All bar a handful of the personnel who volunteered and were accepted for places in Lt Col Zola's Regiment for this mission are female [50 of the total.]

Lt Col Zola, herself, is a heavily-decorated veteran of numerous missions and is an expert in a number of military fields, is a graduate of the Marine Staff College and a former instructor in Marine Intervention Tactics at the Naval Warfare School. She understands that it may be necessary to operate without combat robot support for sociological reasons while co-operating with other polities.
