

T69 First Minister Lee Zhang Arrested!

~~DISCUSSION~~ A joint IAO/Imperium Security investigation has lead to the removal and arrest of the First Minister [Senator Lee Zhang](#). [Senator Lee Zhang](#), his wife and one of their domestic servants were arrested at his home as part of an on-going in depth investigation by the IAO. At this stage it is not possible to discuss the details of this investigation, but the charges against Lee are very serious indeed and relate to breaches of Imperial Secrets legislation and espionage. Under the circumstances, the First Citizen has, reluctantly, removed him from office, and in the interim [Senator Hilmi Ozkok](#) will be taking on the duties as caretaker First Minister while a replacement is elected.
