Navy! Navy! Navy!

In a bit of a shock in the Senate the new First Minister has been chosen. Former First Space Lord and close supporter of the First Citizen, Senator Danso Tupac Ashanti, LoH has become our new esteemed leader.

Word on the Senate floor is that a number of party leaders and opinion formers across the entire Senate have been promised jobs and honours to support the new First Minister. Already the First Citizen's youngest brother has been named as the Foreign Minister.

More ministerial announcements are expected soon. Rumours are that Lee Zhang will remain in the government as the Finance Minister have been denied strongly by an official spokesman, it looks like all those who have supported the IAO in the past might be out of favour. Time will tell.
