Awa' to the Hills

This game is about the Highland campaign of Viscount Dundee, King James VII's second in command of the Army of Scotland in 1689. Unhappy with the Scots Parliament's declaration that James VII had forfeited his Crown Viscount Dundee returned home to his heavily pregnant wife at Dudhope just north of Dundee. After a few weeks he had gathered about him some of his very loyal troop of Horse. They rode out to Dundee Law where he raised the royal standard of King James VII and declared war on the Parliament.
